## A SONG IN THE AIR

*(The Word Via Radio To The Heathen)*

There is no town of Nazareth  
In ancient Galilee;  
No angel-given message of  
Events so soon to be;

No little town of Bethlehem  
Atop Judean hills;  
No angel song to shepherds  
Of the Cure to earthly ills;

No Star-led kings from Eastern Lands  
Presenting myrrh and gold  
And frankincense to One so young  
And yet all-ages old;

No life so lived, no death so given  
That men may be set free  
To live and know no death with Him  
Throughout Eternity...

And then the Word so long unheard  
Of ancient actions done  
Finds groping, darkened men who rush  
To meet and greet the Son.
