

CHRIST FOR ALL

When we wandered in the night,
Fear at every portal,
Jesus blessed us with His light
And His joy immortal.

Everyone has pain and grief,
All the world knows sorrow,
Only Christ can give relief,
Plus a glad tomorrow.

Have you told someone today
That the Savior's living,
Someone fallen by the way,
That the Lord's forgiving?

Shout the message through the earth –
Man in need of healing
Can enjoy a second birth
With its sinless feeling!
