

COME HOLY SPIRIT WITH YOUR FIRE

So many, many years ago
It fell at Pentecost –
The fire that set the Church aglow
To seek and save the lost.

But now the fire is burning low
And church men are asleep.
They do not see, they do not know
Men perish in the deep.

Come Holy Spirit with your fire,
Fall fresh upon us all
Till saving men is our desire,
Our passion, and our call!
