

## **EMPATHY**

**I sit and watch Him on the cross  
In movie on TV . . .  
And feel a sense of deepest loss –  
They saved no cake for me!**

**I sit in church and hear the tale  
Of how He bled and died;  
I feel so bad, I almost wail . . .  
I fear I'll miss my ride!**

**I sit . . . “They placed Him in the tomb,”  
They say in tones of woe;  
I feel a heavy shroud of gloom . . .  
I wish it wouldn't snow!**
