

FAITH FOR HIS DAY

The years have sped into the past,
Old friends have passed away...
How long, O Lord, is faith to last
The way we live today?

The Master wondered of our age,
(It added to His pain)
“Will I find faith on earthen stage
When I return again?”

O Father, give me ears to hear,
For faith comes with thy Word;
Then when my Lord shall reappear,
He'll notice I have heard.
