

HOPE

Hope holds on to Christmas cards for memories of friends
Hope folds favorite shirts and jeans with dreams they'll fit again

Hope invests the time it takes to teach a child a truth
Hope provides a purpose for the lives of aimless youth

Hope sustains the searching soul whose life is filled with fear
Hope eyes Eastern skies where Jesus Christ will soon appear

Hope pens grateful lines to lonely soldiers overseas
Hope awakens weary hearts and sends us to our knees

Hope lifts high an unborn child whose life is on the line
Hope shouts promise from the depths of pain in soul and mind

Hope runs undeterred where faith illuminates the trail
Hope holds fast to Jesus' hand where enemies assail

Hope calls on His strength to stand when weary and alone
Hope we hold in Jesus Christ will lead us safely home!
