

LORD

"I am the way, the truth and the life"
Lord, You came to me
Gave me such faith
That I didn't think was possible

Lord, You've shown me such love
That I didn't deserve
Showed me the light
When all I could see was the darkness

Lord, You've captured my heart
How can I thank You
For always being with me
For never leaving me

Lord, You've saved me
Guided me when I've been blind
Carried me when I could not walk
Talked to me
when I could not hear

You are the way
The truth
And the life
I will cherish You always
